**CASE NO. 6:19-CR-00025-JDK**

**ORDER ADOPTING REPORT AND RECOMMENDATION  
ON REVOCATION OF SUPERVISED RELEASE**

The Court referred a petition alleging violations of supervised release conditions to United States Magistrate Judge K. Nicole Mitchell at Tyler, Texas, for consideration pursuant to applicable laws and orders of this Court. The Court has received and considered the Report of the United States Magistrate Judge filed pursuant to such order, along with the record, pleadings, and all available evidence.

At the close of the October 11, 2023 revocation hearing, Defendant and defense counsel signed a standard form waiving the right to object to the proposed findings and recommendations contained in the United States Magistrate Judge's Report, consenting to revocation of supervised release and consenting to the imposition of the sentence recommended in the Report. Counsel for the government orally waived the right to object to the Report. Defendant also waived his right to be present and speak before the District Judge imposes the recommended sentence. Therefore, the Court may act on the Report and Recommendation immediately.

Accordingly, the findings of fact and conclusions of law of the Magistrate Judge are correct and the Report of the Magistrate Judge is **ADOPTED**. It is therefore

**ORDERED** that Defendant's plea of true to Allegation 1 in the petition is **ACCEPTED**.

Based upon Defendant's plea of true to Allegation 1 in the petition, the Court finds that Defendant violated the conditions of his supervised release. It is further

**ORDERED** that Andrew Mark Harris's supervised release is **REVOKE**D. Judgment and commitment will be entered separately, in accordance with the Magistrate Judge's recommendations. It is finally

**ORDERED** that Defendant be committed to the custody of the Bureau of Prisons for a term of imprisonment of 15 months, which includes 72 days of unserved community confinement, with no further supervised release.

So **ORDERED** and **SIGNED** this 13th day of **October, 2023**.
